

"Miss me?"

Be in touch with everyone when roaming in Singapore

**TRAVEL ADVICE:**  
Keep this handy with your passport

# Welcome to Singapore

As the largest telecommunications provider in Singapore, we offer you comprehensive nationwide and overseas coverage, premium voice/video call quality and innovative services for greater convenience and savings. Plus, you can experience broadband Internet speeds on-the-go with SingTel's BroadBand on Mobile. Staying connected with your family, friends and associates while you are overseas just gets better with SingTel.

## How to select SingTel Mobile Network

**Step 1**  
Go to "Phone Settings" select "Network Selection" then choose "Manual".

**Step 2**  
Your phone will then search for available networks.

**Step 3**  
Select any SingTel Mobile Network and you are ready to use your mobile phone.

## Making calls

**Local Direct Dial (LDD)**  
When roaming in Singapore, simply select the SingTel Mobile roaming network with your travel mate, and you'll save up to 78%\* when you call each other!

\*Savings may vary depending on your home operators.

### To call a visitor roaming in Singapore:

Dial #0 ▶ Country code ▶ Phone number

Please check if your home operator supports Local Direct Dial on SingTel Mobile network.

**To make an international call (fixed or mobile line):**

Fixed Line
